(ÖSAI, AIP, DSAI, IPOPI, Vienna
Vitiligo Self-help Group)**

Project:

Benefit Concert:

to develop a feeling of solidarity for persons with this rare disease. Consideration by society regarding a relatively rare disease such as Hereditary Immune Deficiency cannot be taken for granted. But „rare“ should not mean being alone.

Round table:

Meeting of the self-help groups

1. The role of self-help groups
2. What kind of concrete support can a self-help group offer a patient
3. Organization of a self-help group

Tones of the solidarity
