

XVII IPOPI GLOBAL PATIENTS' MEETING

12-15 OCTOBER 2022  
GOTHENBURG, SWEDEN

#GPM2022

### **Dr. Manuela Mura**

Scientific Officer  
Health Threats and Vaccine Strategy Office  
European Medicines Agency

A trained doctor in veterinary medicine (2000) and a PhD in molecular biology, with a research project on retroviruses and lung cancer conducted at the University of Georgia, USA (2004), Manuela worked in Academia for 6 more years as a post-doctoral researcher working on retroviruses and influenza viruses, at the University of Glasgow (UK, 2004-2007) and at Imperial College London (2007-2010). Since 2010 she works for EMA as a scientific officer with focus on vaccine development and more recently on vaccines against biological health threats. Since April 2022 she is a member of the EMA Emergency Task Force for COVID-19.
