ATTEINTS DE DIP

Dr. Anne Barasa

Dr. Anne Barasa is a Lecturer and Consultant Pathologist at the University of Nairobi Medical School, Kenya, where she heads the Unit of Immunology. She provides consultancy services in Clinical and Diagnostic Laboratory Immunology at the Kenyatta National Teaching and Referral Hospital and collaborates with external clinicians involved in the care of primary immunodeficiencies by actively participating in multidisciplinary meetings. Anne has been involved in creating awareness on primary immunodeficiencies in Kenya, by organizing and participating in various symposia (A-projects). She is the current Vice-President of the African Society for Immunodeficiencies.
