Mr. Anton van der Zandt is a happily married father of two teenagers. His 18-year-old daughter was diagnosed with CVID at the age of 5 and the months leading to that was extremely traumatic for the family. He is a retired rugby referee and is still an active jogger. He has been a PiNSA member since 2013 and was selected to the board as Chairperson in November 2022. Mr. Anton van der Zandt is a lecturer of profession and enjoys developing and helping people. Currently lives in Pretoria, the Capital of South Africa, but enjoys the quiet noises of the bushveld and hiking in the mountains.
