

IPOPI LATIN AMERICAN PID PATIENTS' MEETING

OCTOBER 19-20, 2023
MEXICO CITY, MEXICO

an IPOPI event

ENCUENTRO DE IPOPI
DE PACIENTES CON IDPS
EN AMÉRICA LATINA

Mr Hector Amaya

Hector Amaya, a 40-year-old lawyer from El Salvador, is the parent of a child with Primary Immunodeficiency (PID) and the President of Escudo de Amor (Love Shield), the Salvadorian Patient Organisation he co-founded five years ago. His dual roles as a parent and advocate empower him to support PID patients and families, bridging legal expertise with compassionate advocacy.
