

## **Dr Manabu Wakamatsu**

Dr Wakamatsu is a Japanese physician who specialises in pediatrics and hematology. He graduated from Tohoku University School of Medicine in 2012, subsequently received his medical license, and started his internal medicine training at Tosei Hospital in Aichi, Japan immediately. In 2018, Dr Wakamatsu attended the Nagoya University Graduate School of Medicine as a graduate student; in 2022, he became an Assistant Professor.

Currently, he is a board-certified pediatrician and certified hematologist from the Japanese Society of Hematology. Moreover, Dr Wakamatsu is a pediatric hematologist/oncologist and certified hematopoietic cell transplantation specialist. In 2022 and 2023, he received the Best Presentation Award at the Tokai Pediatrics Regional Conference for my research and Young Investigator's Award from the Japanese Society of Hematology, respectively.
