27 – 28
November 2026

Istanbul
Turkey

Prof Safa Baris

Professor Safa Baris, MD, is a physician-scientist and Professor of Pediatric Immunology and Allergy at Marmara University Hospital, Istanbul. His research focuses on inborn errors of immunity and immune dysregulation, including LRBA deficiency, CTLA-4 insufficiency, and STAT gain-of-function disorders. He has contributed to the discovery of novel immune diseases, led international patient registries, and helped develop evidence-based diagnostic and treatment guidelines.
