

NATIONAL CLINICAL CARE WORKSHOP

27 – 28
November 2026

Istanbul
Turkey

Supported by

Dr Esra Karabiber

Assoc. Prof. Esra Karabiber, MD, is an adult Allergy and Clinical Immunology specialist at Marmara University Pendik Training and Research Hospital, Istanbul, Türkiye. Her work focuses on inborn errors of immunity, hereditary angioedema, and primary immunodeficiency. She combines clinical care, research, and medical education to improve outcomes for patients with rare immune disorders.
